Are your professors prepared to lead discussions on CRT and DEI and expose their roots in cultural Marxism?

Can they refute the anti-biblical, unconstitutional ideology embedded in each of these ideas?

- **Critical theory and woke ideology began in colleges**
- **Critical Theory is Marxist ideology**
- **CRT and DEI are constructs of critical theory**
- **Marxism is anti-biblical and unconstitutional**
- **CRT and DEI are segregating education, corporations, and government into social constructs**
- **CRT and DEI are undermining our BWV and constitutional freedom**
- **Christian colleges must lead in restoring biblical and constitutional truth!**

“If the foundations are destroyed, what can the righteous do?” Ps 11:3

ABOUT EDNEXT

EdNEXT empowers Christian colleges and universities to legally counter woke ideology and safeguard against mission drift by unmasking the antibiblical, unconstitutional roots of cultural Marxism, Critical Theory, CRT and DEI as well as uncovering LGBTQ+ transgender grooming ideology through professional development workshops that equip professors to teach students to become evangelistic and cultural apologists for biblical, scientific, historical and constitutional truth in their future spheres of influence.
